Silas Bronson Library

Last Update: January 31, 2017

Explanatory Notes:

Waterbury residents are listed in alphabetical order by last name. Sources of biographical information are listed in the column to the right and are coded. You will need to refer to the code index, found on our website at <http://www.bronsonlibrary.org/genealogy>, in order to find the article, book, or website which contains the biography.

Sources begin with a letter code (such as SB or TCW or HWNV); if the source is a newspaper, the code will be followed by the date of publication (such as 10/16/1950); the final part of the source is the page number (such as p1021 for page 1021).
