This year's Summer Reading theme is Read, Renew, Repeat. We have a ton of great programs at the library to keep you engaged all summer long—see the rest of this newsletter for details.

The library's programs are made possible by the Friends of the Silas Bronson Library, a separate 501c3 organization that raises money through book sales, donations, and other fundraising events. New members are always welcome to join. The Friends meets at the library on the second Tuesday of the month at 6 p.m. See the next page for details.

Each month we feature different local artists in our first floor exhibit spaces. Exhibits are open whenever the library is open.

July Danna Gizzie works in collage, pen & ink, 3D, fabric and wood. Each piece tells the story of the artist's many sides: quirky, spiritual, and passionate.
