FRONT PLAZA RENOVATIONS

This spring, the library's front walkways and lawn will be getting a complete makeover, thanks to state and federal funding secured by the City as well as some library funds. Highlights of the project include new sidewalks and benches, and a modern-style fountain positioned in between the Ben Franklin and the Whale sculptures.

There will be several weeks during the construction when the front entrance will be closed. A temporary ramp will be built for the rear entrance during this period. Project updates will be posted regularly on our Facebook and Twitter accounts.

Hi Everyone — Hope you've been enjoying a safe and healthy winter. If you haven't visited us recently, we still have some books left from our February sale on cookbooks, how-to, crafts and garden. You can find them at the bottom of their respective shelves.

In March we will be offering a selection of beautiful art books recently received through a generous donation. In April, look for special offers on health and self-health books. In May, we will be offering a large selection of books for your summer reading.

All of these special offerings can be found on our sale tables, in addition to other books of varying subject matter. Selected authors will also be featured at discount prices of 50 cents and 25 cents. Also, look for our book baskets on the floor.

Just a reminder—our Bookstore offers ongoing bargain prices on books throughout the year. Also included are VHS tapes at 25 cents. DVDs for \$1 or as marked, CDs for 50 cents or as marked, and books on tape as marked. Two sale bins are also available in the Children's Department.

There is much to see in the Bookstore, so give yourself plenty of time to browse when you visit us, and please tell your friends about us. We appreciate your support.

- *Excellent customer service and great children's programs*
- *The research department including all things related to genealogy.*
- *Borrowing books for personal use*
- *Interlibrary loan*
- *Ability to borrow books, books on CD and eBooks*
- *Great staff*
- *Good people that are willing to help out*
- *Lending physical books, and quiet study/work space.*
- *Its presence and recognition in the community - even surrounding communities.*
- *I love the physical building(except I miss the original exterior) inside downtown. I love the Bunker Hill Branch. I value the improvements being made by the new director and staff.*
- *Location to downtown and highway.*
- *I am an avid reader and am so glad to see more new books and audio books being available. Also am learning to use the overdrive services for e-books and love it!*

- *NEED FREE PARKING.....*
- *Downtown is great except for parking. I love the Bunker Hill Branch! I wish it had more hours.*
- *My biggest complaint and it keeps me from going to this library are the pathetic old copiers for microfiches. They print out horrible and I mean horrible copies of what I need. This is 2017. Buy new copiers for the microfiches.*
- *Larger building, better arrangement shelves and furnishings.*
- *I would like to see a telephone center the ability to print in color & print photos have computer word recognition for history research and someone highly knowledgeable in local History form the varied communities of the city.*
- *Longer/later hours, especially for e.g. one day during the week. I work many of your open hours, which makes it more difficult.*
- *Come out to the communities. Be the reading leader. Feature books of the month that are culturally sensitive.*
- *Electronic check out, child reading nooks.*
- *More outreach. Designated parking so we can be nearby. There should be branches in the north, and south ends where they are needed the most. I remember to this day, the excitement I felt going to the branch on North Main for the first time. That cute little library began my love for books. Perhaps an official little branch could be housed in the Community center on Walnut st. and somewhere in the south end. Keep Bunker Hill open and house a branch somewhere in the east end so it won't be left out.*

Suggestions for ways to improve the library:

- *Whoever is ordering [books] should order more bestsellers.*
- *Need to improve accessibility. Can't use rear ramp to enter however rear is used by public to exit. Front access ramp needs repair.*
- *Definitely need a Spanish speaking at the front desk.*
- *More children's events! Arts and crafts for children ages 0-6.*
- *During the summer, I wish Saturday hours continued*
- *Due to work, I am unable to take my daughter during the summer.*

TELL US WHAT YOU THINK!

How are we doing? What services should we add? Take our survey and let us know! The survey is available online at our website, www.bronsonlibrary.org. If you prefer a paper survey, you can pick one up at the main library or at the Bunker Hill branch library.

The mission of the Hall of Fame is to honor these notable Waterburians, to educate the public about Waterbury's rich past and present, to promote interest in Waterbury history and the local history resources of the Silas Bronson Library and other city institutions and, through the nomination process, to increase the library's historical information about the city.

Hall of Fame members are elected annually by a nine-member committee appointed by the library Board of Agents.

Nominations are submitted by the general public as well as committee members. Candidates include – but are not limited to – civic, cultural, government and religious leaders, artists, writers, educators, historians,

war heroes, industrialists, business and professional people, and sports figures. The emphasis is on diversity. Waterbury Hall of Fame plaques are on permanent view in the Courtyard Level of City Hall, next to the library.
